The Office of Marriage & Family Life is recommending the Prepare/Enrich pre-marital inventory for use in the Diocese as part of each parish's marriage preparation process. We are making this recommendation because we believe that the Prepare/Enrich inventory has several advantages including the following:

- Customized inventory for each couple and their unique relationship
- Easy-to-use online assessment
- Detailed Facilitator's Report
- Over 20 couples' exercises from which to choose
- Comprehensive and reliable categories of evaluation

Since many parishes do not have ministers who are trained in administering and giving feedback through the Prepare/Enrich inventory, our Office is offering this training session. We are recommending it for anyone who might be involved in the use of a pre-marital inventory including: priests, deacons, marriage prep coordinators and mentor couples.

Deadline for registration is **Tuesday, April 18, 2017** to allow time for us to order the necessary training materials. If you have any questions or need additional information, contact Darryl Ducote at 225-242-0135.
